Rock Your Religion

Does your wardrobe need a little rocking out?

Rock Your Religion is a high-end accessories company inspired by ancient religious symbols, transformed into rock-inspired metal pendants and leather cuffs. Launched at a packed SOHO party this weekend, it's destined to be hit with rockers and trendsters alike, and it goes for a noble cause: 1% of all yearly Rock Your Religion purchases will be donated to the VH1 Save The Music Foundation.

This is not your mom's traditional jewels and are perfect mates for your sexy summer jeans and tank outfits. Check them out at: <http://www.rockyourreligion.com>

I am presently rocking the Chi Ro pendant and planning on grabbing up the Star of David line when it's available this summer.
